

## Important Safety Information

### WARNING - READ BEFORE USE

Use caution when setting up or using UEF Cable Riser. Kneeling, falling, sitting, or making other contact with the UEF Cable Riser may cause serious injury. Keep children and pets away from UEF Cable Risers.

### SET UP -

Insert the slot on top of both footplates into the slots on the bottom of the riser plate.

### SET UP continued -

Place the UEF Cable Risers under your cable with the custom HFT facing your listening position.

Place the UEF Cable Risers at a distance that minimizes cable sag. This distance will vary depending on your cable's length, weight, and flexibility.

### Correct Setup

### Incorrect Setup
